BBQ TRAILERS

Having a custom BBQ Trailer with a fully framed tradesman canopy top is a great way to get out of sun and weather. Plus, with Modern Trailers design, you get large sliding BBQ plate built-in canopy trailer. As well as a larger surface canopy top area perfect for displaying your business name or logo. We construct all of our BBQ trailers with fully framed work which are extremely strong. Also, our BBQ trailers comply with Australian standard and are certified. We will work with you to configure the layout of your customer BBQ trailer to suit your particular needs, style and budget.

STANDARD FEATURES

- Fully Framed tradesman top 40x40 RHS (**not like others with no frame work**)
- Tapered sides Canopy built from the floor of trailer 1170mm high
